

REMARKS:

Applicants would like to thank the Examiner for issuing the Notice of Allowability. In the Notice, the Examiner requested a submission of formal drawings. In response, applicants provide herewith the requested formal drawings.

The Examiner noted that claims 107 and 108 remain rejected under 35 U.S.C. § 112, first paragraph, as lacking an acceptable deposit of the claimed antibodies. In response, applicants have made the requested deposit on February 2, 2005. The specification has been amended, as shown above, to include the deposit identification information in compliance with 37 C.F.R. §1.809(c). A declaration in accordance with 37 C.F.R. §1.804(b) stating that the antibodies deposited are the same as antibodies specifically identified in the specification is also attached. Accordingly, withdrawal of the rejection to claims 107 and 108 is respectfully requested.

Respectfully submitted,

HOGAN & HARTSON L.L.P.
